DIARY NOTES

Acting Executive Director-Comptroller

21 October 1971

Prayer Breakfasts

X1 Mr. Coffey reported that he had talked with []
X1 [] who has proposed that the Agency hold prayer breakfasts. I
indicated that the idea basically seems feasible and that the specifics
should be worked out. [] was delighted with our sympathetic
reaction to date. (I shall inform the Director. *Done.*)

SIPS

I asked Mr. Coffey whether it would be possible to develop in the SIPS exercise a relationship between employee time and attendance records and fan account numbers. This would be the beginning of a way to determine the allocation of our manpower to projects and consequently bring this factor into cost effectiveness computations. I doubt it would involve a great deal of additional paperwork. Mr. Coffey will look into this.

~~SECRET~~Contingency Reserve

I showed the Director the status of the Contingency Reserve as it will be affected by the Congressional reduction [redacted]

[redacted] He stated that he understands Congressman Mahon's need to show some reduction and that it is a little bit hard to make too big an issue of it on the basis of the figures, i. e., that approximately [redacted] available until the end of FY 1972. He thus accepted the reduction.
